

**CUT! The Hillsburgh Snow Roamers go Hollywood...we'll maybe in their minds.**

Six of the members from OFSC District 4, Hillsburgh Snow Roamers snowmobile club participated in filming a television show called 'The Healthy Gourmet', welcoming stars Ezra (gourmet chef) and Julie (Nutritionist) and the directors and crew to the area. They learned about proper eating and the benefits to a health conscious diet.

The show sets out to find groups of people who spend mealtimes together, not always indulging in what is good and healthy. Julie and Ezra's jobs are to change the thinking of the group and show them that healthy eating can in-fact be gourmet.

The Hillsburgh Snow Roamers would like to take this opportunity to thank all the cast and crew for an amazing weekend, one that won't soon be forgotten!

The show airs on the VIVA network sometime in June, watch our web site at <http://www.snowroamers.com> for date and time.
